Chairman of the Board

Dear Mr. Strahan,

Enclosed is a copy of a letter sent to Food Services Manager, Michael Morris, thanking him for his help with the annual Toys For Tots campaign in Josephine County. With his help we provided toys to over 1300 children in Josephine County and the Rogue River-Wimer area.

Michael has been an asset with the collection of toys for children in this county. It is always a pleasure working with him and his staff and we look forward to partnering with him again in 2011 when we gear up for the 2011 toy campaign.

Enclosed is a copy of a "thank you" ad placed in The Grants Pass Daily Courier listing the businesses and groups who support Josephine County Toys For Tots. I'm sure you will note that the list grows each year. We are proud to mention all those who have been so generous during these hard times.

I would also like to thank the teachers and staff at the Merlin Alternative Center for their patience and assistance with the toy giveaway. Toys are given away at this site in the annex building. Without the staff's cooperation during the week of the giveaway, our job would be much more labor intensive.

Thank you again for your continued support of Josephine County Toys For Tots and we hope to partner with the District again in 2011.

Semper Fidelis,

Anthony Guillory

Dear Michael,

Thank you for all your help with the annual Toys For Tots campaign in Josephine County in 2010.

It was a lucky day for us when you suggested placing collection boxes in Three Rivers School about six years ago. Your expertise in coordinating the placement and return of 14 collection boxes in 2010 helped provide toys to 1362 children in Josephine County and the Rogue River –Wimer area.

Enclosed is a copy of a “thank you” ad placed in The Courier listing the businesses and groups who support Josephine County Toys For Tots. I’m sure you will note that the list grows each year and we are proud to mention all those who have been so generous.

Thank you again for your continued support of Josephine County Toys For Tots and we hope to partner with you and the Three Rivers School District again in 2011.
