

Board of Education

ACTION

TITLE: Consider Adopting Board Student Policy Changes for First Reading – Section 4

DATE: January 18, 2021

RESPONSIBLE ADMINISTRATOR: Darian Layes
Executive Director of Student Services

BACKGROUND/CONSIDERATIONS:

The District's policies for students have been updated to reflect modifications recommended by the Arkansas School Board Association in their Model Policies.

Clean and redlined versions of the policies are provided to enable the Board to see the specific changes that are being proposed. The District's Certified PPC has reviewed those policy changes involving student discipline. The District's attorney has also reviewed these proposed changes.

If these policies are adopted, any needed revisions of the student handbook will follow.

RECOMMENDATION:

The administration recommends the board approve on first reading changes to Board Student Policies, Section 4 – as presented to be effective upon final board approval.

If the Board agrees, the motion would read: ***move to approve on first reading the Board Student Policies - Section 4 – as presented to be effective on final board approval.***
