PURCHASING
AUTHORITY

The Board delegates to the College District President or designee the authority to determine the method of purchasing, in accordance with CF(LEGAL), and to make budgeted purchases. All purchases valued at \$50,000 or more shall be taken to the Board for approval. This policy applies to the purchase of tangible property and/or services.

GENERAL POLICY

The Board gives critical attention to the purchase of goods and services by the College. In each case, the Board seeks to accept the lowest responsible bid that represents the best value for the College after considering all legal permissible factors in awarding a contract. In determining the best value, the Board shall act faithfully and exercise its best judgment to best serve the interests of the College and shall always exercise its honest discretion in seeking to accomplish the objective sought. The College shall strictly comply with all laws governing the purchase of goods and services. Bids determined to be unsatisfactory may be rejected by administrative or Board action as appropriate.

COMPETITIVE
BIDDING

If competitive bidding is chosen as the purchasing method, the District President or designee shall prepare bid specifications for items/services to be purchased. Bids may be submitted electronically or in sealed envelopes prior to the close date and time as indicated in the invitation to bid. Bidders may view the bid tabulation electronically immediately after the invitation to bid is unsealed or may attend a public bid opening in the College's purchasing office. Any bid may be withdrawn prior to the scheduled date and time for closing. Bids received after the specified time shall not be considered. No material changes may be made to a bid once it is submitted.

The College may reject any or all bids and waive technicalities or informalities in the solicitation process as deemed to be in the best interest of the College.

COMPETITIVE SEALED
PROPOSALS

If competitive sealed proposals are chosen as the purchasing method, the District President or designee shall prepare the request for proposals and/or specifications for items/services to be purchased. Proposals may be submitted electronically or in sealed envelopes prior to the close date and time as indicated in the request for proposal. Proposals received after the specified time shall not be considered. The name of all proposers submitting proposals will be available online at the time that the request for proposal is unsealed or proposers may attend a public proposal opening to hear the name of those companies submitting proposals. Proposals may be withdrawn prior to the scheduled time for closing. Changes in the content of a proposal, and in prices, may be negotiated after proposals are opened.
