Re: Purchase of Custodial Cleaning Equipment

I would like to discuss the purchase of Custodial Cleaning Equipment for six 26" rider auto scrubbers, ten 26" stand on auto scrubbers and ten "16" cleaning path carpet extractors at the next Committee of the Whole meeting on Monday, March 6, 2017. This was originally discussed during the January 30, 2017 Study Session where the proposal to purchase was brought to the Board and it was stated that RFP's would be prepared.

HP Products was the lowest responsible bidder for the six 26" rider auto scrubbers and the ten 26" stand on auto scrubbers and KSS Enterprises was the lowest responsible bidder for the ten "16" cleaning path carpet extractors.

Funds for this purchase would be from the 2013 Bond.

Please include this item on the agenda.
