

## S.I.S.D Scuba Squad

The Open Water SISD Scuba Squad is back in the water! The class of six is awaiting their open water dive next weekend in “the big pool”-the ocean.

Below is last year’s class of one (K.Kohn-Certified Rescue Diver) with Scuba Coordinator-Laura Anania.

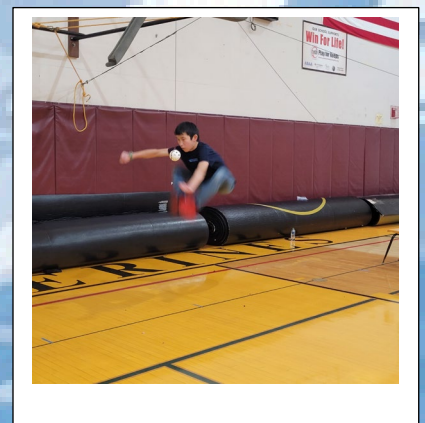

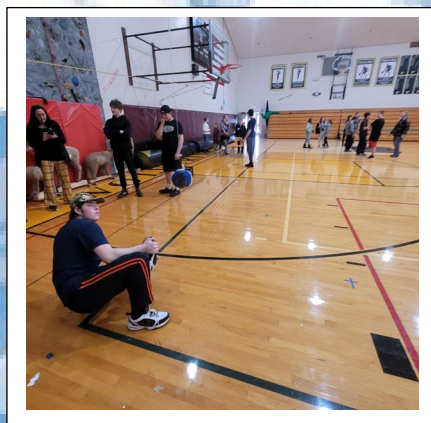

# Native Youth Olympics

Several schools came to participate in a Personal Best Competition for NYO. All the students did wonderful.

Thank you to all the staff and student helpers.

# District Construction Class

Sixteen students from around SISD were able to participate in a week-long construction class through AVTEC.
