

IASB Liaison April Talking Points

Below are the IASB Liaison talking points for April.

1. With the potential onboarding of new board members approaching, IASB has a lot of resources for new board members. We offer the required training online, resources to familiarize the new members with the role of the board, and webinars on numerous topics that might interest them. The [IASB New Board Member webpage](#) offers a great starting point.
2. The 2025 Joint Annual Conference is still a few months away, but planning is well underway, and registration will open June 2. Please refer to the [IASB Conference page](#) to stay up to date with all the information.
3. In April, PRESS Plus Issue 118 will be released. This will be a large and complex issue. Be on the lookout for the webinar that will explain the changes. If you are unable to make that webinar, it will be available for later viewing via the [archived webinars](#) page.
