Communicable Diseases – Staff In Schools

The district shall provide reasonable protection against the risk of exposure to communicable disease for students and employees while engaged in the performance of their duties. Reasonable protection from communicable disease is generally attained through immunization, exclusion or other measures as provided by Oregon law, by the local health department or in the *Communicable Disease Guidance for Schools* published by the Oregon Department of Education (ODE) and the Oregon Health Authority (OHA).

~~An A student or employee may not attend school or work, respectively, while in a communicable stage of a restrictable disease or when an administrator has reason to suspect that the student or employee has or has been exposed to any disease for which exclusion is required in accordance with law and per administrative regulation GBEB-AR-Communicable Diseases-Staff. If the disease is a reportable disease, the administrator will report the occurrence to the local health department. The district may provide an educational program in an alternative setting. Services will be provided to students as required by law.~~

Employees shall comply with all other measures adopted by the district and with all rules adopted by Oregon Health Authority, Public Health Division and the local health department.

~~Employees shall provide services to students as required by law. In cases when a restrictable or reportable disease is diagnosed and confirmed for a student, the administrator shall inform the appropriate employees with a legitimate educational interest to protect against the risk of exposure.~~

The district shall protect the confidentiality of an each student's and employee's health condition and record to the extent possible and consistent with federal and state law. In cases when a restrictable or reportable disease is diagnosed and confirmed for a student, the administrator may inform employees with a legitimate educational interest.

The district will include, as part of its general emergency plans, a description of the actions to be taken by district staff in the case of a declared public health emergency or other catastrophe that disrupts district operations buildings and by the district in response to medical emergencies.

~~The superintendent will develop administrative regulations necessary to implement this policy.~~
