

Good afternoon.

I am requesting to be on the board meeting agenda as chairperson of the Annual MHSAA Region One Marching Band Evaluations on October 13, 2019 at Tupelo High School. This is one of the most important fundraisers for the band. I will be introducing the festival details, extending an invitation for any volunteers from the district according Mr. Murphy's specifics for the event.

If there is any further details necessary, please let me know.

Sincerely,

Stephanie Stubbs, BSM
