

The School Board's Annual Agenda schedules school board governance education in July or August. Possible presentations/topics include a futurist, demographer, technology, advocacy groups, staff, MSBA, etc. It would be appropriate for the board to select a topic so that arrangements can be made for the September meeting. Topics in the past have been: Policy Governance (twice), Goal Setting, High School Electives/Scheduling, a Discussion of Board-Superintendent Responsibilities based on a survey completed by the board and superintendent, a Review of When Various Debt Levies Expire, an Overview of the High School Redesign Process, and an overview of the Districts' social and emotional programming /intervention.
