Kevin Roberts was born and raised in Wayne County and has a Master's Degree in ADHD and Addiction Studies from Antioch University. He is an author, teacher and expert on ADHD.

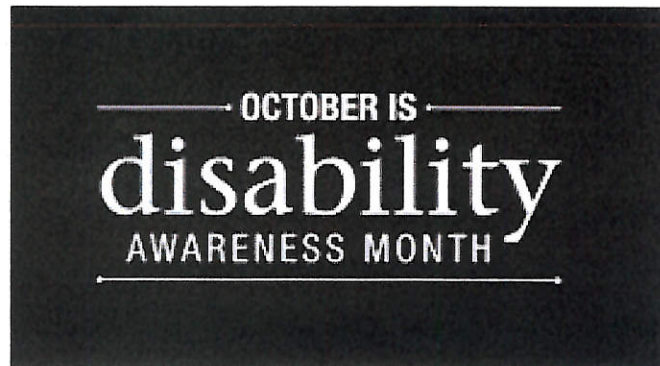

Kevin has been invited to attend events all around the world and has participated in countless interviews on both radio and television. He is considered as an expert in his field in both ADHD and Internet/Video Game Addiction.

Kevin has spent a good deal of his adult life coming to terms with his own ADHD and cyber addiction. He knows first hand how having ADHD can impact someone's life. Both negatively and positively. Kevin has dedicated the last twenty years, helping those with ADHD identify their strengths and have further awareness of where they struggle so that they can achieve success.

Each person who attends is eligible to receive a free download of Kevin's book:
