#### ***Operational Impact:***

Operational impact should be minimal; however, travel and related expenses may be involved in scheduling relative meetings with elected officials in representing the State & Federal Relations Committee or the Denton ISD Legislative Advisory Committee.

#### ***Results:***

##### **Advantages:**

Utilizing various formats to communicate the District's legislative priorities and alignment to our *guiding statements of outcomes* allows the DISD learning organization to articulate the value of our legislative priorities in realizing our stated outcomes. Staying abreast of legislative proposals and actions, while preparing for conversation and discussion with our elected officials may have significant impact to policies directly related to public education. Sharing information with our Denton ISD community creates a stronger voice and prepares voters as they consider policies impacting public education. Partnering with the State & Federal Relations Committee and other such organizations reflects a strong partnership within the Denton community, which supports public education.

##### **Disadvantages:**

None noted.
