Action

BACKGROUND INFORMATION:

As discussed during the Policy Review Session (PRS), the district shall notify TASB of its decisions regarding the proposed changes. TASB will make appropriate changes to BISD policy files based on the DISTRICT'S RESPONSE to the summary recommendation, attaching any relevant material, and returning said document. Then TASB will order a complete reprint of the district's manual. This will ensure that TASB records and the district's hard-copy manuals agree.

The board will then adopt all (LOCAL) policies in the newly reprinted manual and stamp each policy with a new adoption date, retaining the (LOCAL) policies from the old hard-copy manual, with their previous adoption dates, in a historical file.

RECOMMENDATION: Approval

BOARD ACTION REQUIRED:

I move that the Board authorize TASB Policy Service to add, revise, or delete (Local) policies according to the summary document resulting for the Policy Review Session conducted with the district on June 6, 2019.
