Re: Recommendation to Award the Radio Tower Replacement Bid

I am recommending and seeking approval to award the Radio Tower replacement bid to C3 Communication, Inc. at a cost of \$59,950.00. This project will be funded by the general fund.

The current radio tower is original equipment and is over 40 years old and we have discovered, through inspections, that there are several structural tears in the structure itself. Below is a list of vendors that participated in this bid:

C3 Communications, Inc.	Oxford, MI	\$ 59,950.00
Allstate Tower, Inc.	Henderson, KY	\$ 91,622.00
J. Ranck Electric	Mt. Pleasant, MI	\$168,300.00

Rationale: The current Radio Tower is out of code and has several structural tears in the metal, is original equipment and is over 40 years old.

Thank you for your consideration in this matter.
