

*Medford 7-12 Schools
School Board Report
February 5, 2024*

- 1) **Site Team:** no mtg this month
- 2) **January Students of the Month:** [January Students of the Month](#)
- 3) **Snow Week:** Was just completed. Brainiac bowl went well. Unfortunately the weather was less than cooperative and so the original plan to tube/ski in Mankato instead of a snow week dance was cancelled. Student council is looking into options later this winter to get students together and have some fun.
- 4) **Flex Day/Data Day:** Feb. 19- Thank you for allowing for this day in the calendar. Teachers are preparing to have a full day to meet in teams and spend time looking at current data on students to plan the remainder of the school year. The goal is to address those areas of most need in the hopes of improving student outcomes.
- 5) **Welcome to Ms. Savannah Brandt new Ag Teacher:** Savannah is a recent grad from UW-River Falls and comes to Medford fresh from her student teaching experience. She has lots of ideas and energy and we are excited to be able to offer the second semester elective classes students signed up for last spring.
- 6) **MASSP Convention-** Lots of great information to help us as we make important decisions regarding the READ ACT, MTSS implementation at the high school, cell phones, etc.

**Thanks!
Jen Ford**

Providing quality education while preparing our students and community for the future.
