Note:

Temporary transfer to Health Insurance Self Funded Medical Fund to address the cash-on-hand deficit each month. The current fund balance for the Health Insurance Self Funded Fund is less than 3 months of the expected operating expenditure. For that reason, the cash on hand on a month to month basis cannot cover the anticipated expenditure. The district forecasts to reach the maximum liability in this current fiscal year. Worth noting, the \$1,000,000 will return to the General Fund by the end of this fiscal year and the deficit for the Self Funded Fund will be addressed by the ESSER II Fund.
