# The process...

**Prior to Review**-Virtual meeting, textbooks selected for review, and review textbooks and online access ordered

**Committee** reviewed textbooks and online resources, members rated each text using electronic rubric.

**Student feedback**, results tallied and number of textbooks needed determined.

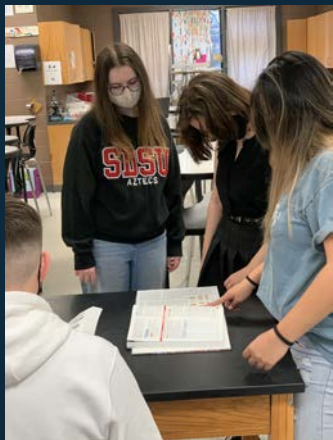

# Students said...

Students from Northside and Southside reviewed the textbooks and provided feedback.

- ◇ “I like the idea of a specific textbook that pertains to the information that will be included on the AP exam without unnecessary information.”
- ◇ “The new pictures are a lot clearer and much more detailed.”
- ◇ “There are several practice questions that could help students practice and prepare for the AP exam.”
