

Request for Approval of Extracurricular Status of 4-H Organization Resolution

The State Board of Education passed an amendment that allows public school students to be considered “in attendance” when participating in approved off-campus activities with an adjunct staff member of the school district.

This amendment provides local school boards the opportunity to recognize County Extension Agents as adjunct staff members and to count students participating in 4-H/Extension educational activities in attendance for Foundation School Program purposes.

The 4-H members of Ector County respectfully request that the 4-H organization by the attached resolution, be sanctioned as an extracurricular activity.
