These reports were made public on the TEA website and posted to the district and campus websites in accordance with legal requirements. The TAPRs demonstrate performance on assessments (both state and national), student graduation and dropout rates, student demographics and staff demographics. Guidelines for the Texas Academic Performance Report stipulate that a hearing for public discussion of the annual report be held and may be combined with a regularly scheduled meeting of the local board of trustees.

Background information: The Texas Academic Performance Report (TAPR) pulls together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and low-income status. The reports also provide extensive information on school and district staff, programs, and student demographics.
