## FROM THE PRINCIPAL

Dear Parents and Community Members,

Spartan Academy is accredited through NWAC and serves students who are better served in a nontraditional school setting. Spartan Academy serves students in classroom settings as well as offering an online component and includes the House of Hope pregnant and parenting program.

Alternative programs provide a personalized blending of project based learning, direct teacher instruction, individualized learning and computer assisted reinforcement of state and district approved standards based curriculum.

We use Edgenuity online curriculum. Our courses are aligned to common core and state standards. The courses are taught by highly qualified teachers and monitored by our staff of highly qualified teachers. While our report cards statistics show our struggles we take pride in the progress our students make and celebrate each success. We will continue to align our curriculum and adjust our program to meet the individual needs of our students. We will also continue our focus on helping students succeed and graduate from high school ready for their next step.

Thank you,

Principal | Dean Rech

## STUDENTS

## OVERALL STATE RATING

HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. High schools are also rated on the overall graduation rate for the school and the graduation rates of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2013-14, this school is rated as Level 1.

- Level 1** = Falls into the bottom 5% of schools
- Level 2** = Falls between 5% and 15% of schools
- Level 3** = Falls between 15% and 44% of schools
- Level 4** = Falls between 44% and 90% of schools
- Level 5** = Falls into the top 10% of schools

This school does not have a comparison school rating due to its small size.

- Below average** = Falls into the bottom third of comparison schools
- About average** = Falls into the middle third of comparison schools
- Above average** = Falls into the top third of comparison schools
