

Pre-K/ESL Board Report-December 2025

Family Engagement

Our annual Gingerbread Night event was on Wednesday, December 3rd. We had a packed cafeteria at Bluffview. There were 29 families that came out in the cold to build and decorate Gingerbread Houses. It was a very successful and fun evening!

Screening

I am still doing screening as parents call and request. Currently, our program is full.

ESL

The students are doing great! We have just had two students from the Philippines enroll in our district.
