

The Derel Walker football camp was a very successful event. The camp was for 8-14 year olds and was attended by approximately 85 kids. A team from Waco attended as well as individuals from Maypearl, Grandview, West, Whitney and other cities. The majority of kids came from right here in Hillsboro and were given tips from Derel as well as other previous Hillsboro grads and ex-players from Texas A&M.

Coach Moss helped bring the camp to Hillsboro. Talk has already started to encourage Derel to make this an annual event in Hillsboro.
