

OUT-OF-STATE AND OVERNIGHT FIELD TRIPS 2022-2023

TO: The Board of Education

From: Lonya Boose

Subject: Approval of SY23 Out-of-State and/or Overnight Field Trips

Date: May 10, 2022

The Board of Education annually approves the out-of-state and/or overnight field trips as noted below by the individual schools. The list of identified field trips for the upcoming 2022-2023 school year are being shared with the Board of Education for consideration with action at the May 24, 2022 meeting. Due to the COVID-19 pandemic, the motion for approval will take into consideration any limitations/mitigations which may be necessary due to advanced approval. All Field Trips will still need to follow all required processes and procedures with final approval of the Superintendent.
