Garibaldi Grade School | Newsletter

June 2021

We are winding down this crazy and ever-changing school year, can you believe it? We will be having our 5th grade promotion, modified field days, and other fun end of the year activities happening in the next two and half weeks!

We will also be offering a variety of summer enrichment programs at GGS and will be sending out a separate newsletter with information and links to sign up for the activities! Please be on the lookout for that.

Lastly, I would like to thank every family this year who has endured the changes, mandates, changes, surveys, and of course more changes! We couldn't have done this without you!

Do you have or know of an incoming Kindergarten student?

Please let us know if you have an incoming kindergarten student that will attend GGS next school year. We will have summer activities your child can participate in and help prepare your student for school. Call the school office or email at lisas@nknnsd.org

2021-22 NKN Preschool

Neah-Kah-Nie School District is partnering with Northwest Early Learning hub to offer expanded preschool options for the 2021-22 school year. NES and GGS will each have their own preschool classes next year! The first step is to complete the interest form in the flyer below:

[Preschool Interest Flyer](#)

[Folleto de interés preescolar](#)

Then the enrollment committee will meet to determine placements and notify parents.

This is a brand new program for us so many elements need to be figured out (Days/Times, type of program), but we do know transportation will NOT be provided to or from school. And, preschool will be free to all families. If you need assistance filling out the form above, please call the GGS office.
