Background Information:

This is a new annual agreement for production press equipment for the District's Print Shop. FISD began working with Ricoh in 2026 and is now transitioning all equipment from Xerox to Ricoh for the 2026-27 school year. The term of the agreement is 72 months and will cost \$35,706.65 per month plus additional charges based on usage. This new agreement is estimated to save the district approximately \$180,000 per year in Print Shop operating costs and will provide two additional printing devices.
