

School Board Workshop:

June 22, 2015

Subject:

Buffalo High School Fitness
Equipment Bid Award

Presenter:

Gary Kawlewski

SUGGESTED SCHOOL BOARD ACTION:

Recommend award of Buffalo High School Fitness Equipment bid to ProMaxima
Strength and Conditioning

DESCRIPTION:

On June 3, 2015 we received 5 bids for new fitness equipment at Buffalo High School. The equipment is scheduled to be paid using lease purchase financing over a 5-year period jointly from capital outlay and the high school budget. After due diligence and review of the bids, ProMaxima is the lowest complete responsive bid. The other four bids received contained varying stages of incompleteness and therefore cannot be considered for award. We have done reference checks on the company and are comfortable that the winning bidder will be able to provide the equipment, installation, and ongoing service to meet our needs.
