Item Name: DISCUSSION OF PREVAILING WAGE RATE SCHEDULE FOR CONSTRUCTION PROJECT SPECIFICATIONS

Item Summary: A current prevailing wage rate schedule must be in each bid specification for construction projects to ensure workers are being paid no less than the current prevailing wage rate, according to the Texas Government Code, Chapter 2258. The prevailing wage rate must be updated every three (3) years. The survey for this prevailing wage rate was conducted in June 2025 and is effective June 1, 2025, thru June 1, 2028. To ensure compliance, the District will require contractors submit certified payroll each quarter.
