Re: ESL Title I Summer School Approval Request

This summer, we are offering a tuition-free summer school at Monaco Elementary. There will be classes offered for ESL students in grades Pre-K, Kindergarten and entering 1st. These students will have classes Monday through Thursday beginning Thursday, June 6, 2013 and ending Wednesday, July 3, 2013. These students will attend classes from 8:00-3:30. Students in grades K-5, recommended by principals and teachers, will also be given the opportunity to attend. These classes will be offered Monday through Wednesday beginning June 10, 2013 and ending Wednesday, July 3, 2013. These students will attend classes from 8:00-12:00. All students will be given the opportunity to have breakfast and/or lunch daily during summer school.

We are also offering a tuition-based summer school for students in grades 6th-8th needing credit recovery. This will be held at Aubrey High School. The program requires students to pay tuition of \$200 per course to attend.

Thank you.
