Subject: A/C Replacement—Building 5 and Theater RFP No. 21-002

Members of the Board, we, STET, Inc. D/B/A HMPS, recommend for Mr. Alim U. Ansari, Superintendent of Schools, be granted authorization to approve and select to the best of his knowledge an available bid contract for the district's A/C Replacement of Building 5 and Theater project located at Horizon Montessori Pearland. Bid will require reposting as project engineer made changes on the original plans and it limited the number of bids submitted for review. By authorizing Mr. Ansari to approve and award a bid, this will ensure efficient turnaround time of project completion. It is of utmost importance that we begin said project to stay abreast of any unforeseen delays.

Respectfully,

Tammy Garza
Coordinator
