**Notes:**

- Meeting started at 4:00pm
- Had four (4) students participate in Site Council this afternoon. First time in the last three (3) years this has occurred.
- Part of the limited attendance at Parent / Teacher conferences may be do to the fact that communication is done more electronically. The perception of lack of need to meet face-to-face.
- Spoke about a moving towards Student led conferences & how this would look.
- Option of child care at Parent / Teacher conferences... may increase parent attendance
- Looking at an attendance reward for the students (electronic lunch)
- Many teachers have developed (SLG) Student Learning Goals...around reducing the number of 'F' grades...very positive from last years data.
- Began looking at IndiStar Indicators previously assessed, with specific attention given to indicators rated at "Limited Implementation" level. Re-assessed current performance level and adjusted rating level accordingly.
- Got through first Indicator group..(DSC) District & School Structure & Culture.
- Will focus next meeting on (EE)...Educator Effectiveness and continue through process until all indicator groups have been reviewed / modified to reflect current performance level.
- Had conversations about the general 'state of the school'...many diverse perspectives on what is going well and areas to improve.
- Meeting ended at 5:05pm.

Next Meeting scheduled for December 8, 2015.
