Greetings from HHS!

We just completed our Fall Registration here at HHS. It was held in the newly remodeled and updated “Old Gym” that we are slowly referring to as our Auditorium and multipurpose room. It was an overall success and it was so nice to have the amount of space and AC as well! We are still enrolling our new students and there were about 30 of them that we are still working on getting into the system. So as of right now we are targeting around 430 students at the HS to start the school year. That would be the most that we have ever had at the HS.

We are looking forward to having staff back in the building on August 12th as we begin to prepare for the 2024-2025 school year. We will kick off the school year with our opening assembly on August 19th as we welcome students back into the building. It is exciting to have a “Fresh” feeling in the building with newly remodeled restrooms and new paint all over campus. It gives a great sense of pride for all that use the facilities here on campus. We are looking forward to another great school year here at HHS!

As always, we are truly blessed to be here and to be a part of HHS!
