

Delegate Assembly Registration Open

Now is the time to select a delegate to represent your school board at the 2025 IASB Delegate Assembly! Delegates will vote on the proposed resolution and 10 proposed amendments to the IASB Constitution and elect IASB officers. The Delegate Assembly takes place November 22 at 10:30 a.m., the Saturday morning during the Joint Annual Conference in Chicago.

Although there will be on-site Delegate Assembly registration opportunities during the Conference, pre-registration is highly encouraged. It's easy and benefits include:

- Save time at Conference
- Registered delegates will receive email updates regarding webinars and other important information and reminders about Delegate Assembly

Each district can register one delegate. The individual who can register a delegate is the district's roster manager. Please check with your superintendent or superintendent's administrative assistant to determine your district's roster manager.
