

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: July 15, 2019

AGENDA ITEM: 2018-2019 District Improvement Plan (DIP) Evaluation

PRESENTER: Lynn McKinney, Deputy Superintendent

Background Information:

On an annual basis, the district is required to develop a District Improvement Plan (DIP) and progress on this plan is evaluated at the conclusion of each school year. The Board of Trustees approved the 2018-2019 DIP on November 12, 2018 after approval by the District Wide Education Improvement Committee (DWEIC). All of this information will be reviewed at our Bearcat Leadership Team (BLT) meeting this summer. The District instructional focus will be reviewed and district areas of needed improvement identified. All campus and district goals will be aligned to address and focus actions for improvement in identified areas.

Administrative Considerations:

In addition to sharing the information with the BLT this goal evaluation will also be presented to the DWEIC, which is made up of parents, community members, and elected staff members. The District Improvement Plan is revisited throughout the school year to track the progress for each identified strategy and goal.

FISCAL NOTE:

The District Improvement Plan will be updated for the 2019-2020 school year and will guide budget decisions based upon identified priorities, need assessments, and goals.

Administrative Recommendation:

This is a report item only, no action is recommended at this time.
