Division: Finance

Subject: Utility Vehicles – Cooperative Contract(s)

Background Information:

- This recommendation is to provide multiple procurement options for utility vehicles utilizing Lewisville ISD-eligible cooperative contract(s).
- Utility vehicles purchased under this recommendation include, but are not limited to, golf carts, all-terrain vehicles (ATVs), utility task vehicles (UTVs), compact utility trucks, and electric utility vehicles.
- Vehicles purchased under this recommendation may help to support campus operations, grounds maintenance, athletics, transportation, and security across various district facilities. These vehicles are essential for staff to efficiently transport equipment, personnel, and supplies throughout campuses and district properties.
- Included in this recommendation will be two golf/utility carts to assist with daily operations at the transportation centers for the LISD Transportation Services Department. The carts will be equipped to carry air compressors for inflating vehicle tires and will be used to transport employees throughout the lots as needed.
- If approved, the District will have access to a wide range of vendors, products, services, and pricing to help provide the best value.
- Best value involves considering several factors, which may include but are not limited to price, quality, availability, delivery timing, support, and other relevant factors.
- Interlocal cooperative contracts have gone through a competitive procurement process and comply with local and state procurement laws.

Administrative Consideration:

- Funds for these purchases will come from District approved budgets.
- Estimated annual expenditures in this commodity: \$80,000 but will not exceed the approved budget(s).
- This procurement complies with Lewisville ISD Board Policy, Section 44.031 of the Texas Education Code, and applicable procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves the use of Lewisville ISD-eligible cooperative contract(s) for utility vehicles, the associated awarded vendors, and the estimated annual commodity expenditures for one year.

Timeline/Report:

- Term: October 2025 – October 2026
