

High School Board Report 10-8-19

Overview

- 9/20. Academic & Career Planning Leaders (Dan Reiter, Dawn Huseby, Ryan Huseby) attending a training session on the use of Xello. Xello has replaced Career Cruising as the online ACP tool used by schools to facilitate many components of the ACP process. Xello includes learning inventories, career exploration/identification tools, course planning guides, experience portfolios, post-secondary school research tools and more.
- 9/23-9/28. Homecoming Week was another big success for THS. Students and staff showed a great deal of Hatchet Pride throughout the week, both in the classroom and at activities. Key events included: boys volleyball, girls flag football, cart float decorating, community/school parade, pep rally and a school dance. Over 200 students attended the dance this year. The benefiting organization of Homecoming 2019 was the Happy Backpack Program. Thank you to all of those who planned, participated and supervised events. A special thank you to Student Council, National Honor Society, Class Officers and Class Advisers. Without your dedication, Homecoming would not be successful.
