To Whom It May Concern:

For those unaware, I am excited to share that I have been accepted as a graduate student in the School of Speech, Language, Hearing, and Occupational Sciences at the University of Montana. I had hoped to manage both work and graduate school, but the challenge has proven more significant than anticipated. Recently, I was fortunate to be accepted into the SIMS Scholar Program, which not only covers the entire cost of the graduate program but exceeds it. Essentially, I was working to finance my graduate education.

After careful consideration, I have made the decision to relocate to Missoula and dedicate myself to pursuing my master's degree. I am writing to formally submit my resignation from the position of GEAR UP Specialist at Browning High School, effective January 15, 2024. I am sincerely grateful for the opportunities for both professional and personal growth that Browning Public Schools provided me. Working with BHS students, particularly the seniors, has been immensely rewarding, whether assisting with college visits, coordinating dual enrollment classes, or guiding them through various aspects of their educational journeys.

Thank you for the opportunities and support during my time at Browning Public Schools. I plan to return and contribute to the community as a Speech-Language Pathologist.

Thank you once again for everything.

Best Wishes,
