

Training

The Board delegates to the Superintendent the authority to:

1. Determine the artificial intelligence (AI) training program to be used in the District;
2. Verify and report compliance with training requirements in accordance with guidance from the Department of Information Resources; and
3. Remove access to the District's computer systems and databases for noncompliance with training requirements as appropriate.

The District shall complete periodic audits to ensure compliance with the AI training requirements.

Use in District

Employees and students shall be permitted to explore AI and implement its use in and out of the classroom in accordance with policy and administrative regulations. The use of AI shall only be as a support tool to enhance student outcomes and shall never take the place of teacher and student decision-making. Any use of AI must comply with law, policy, and administrative regulations relating to student and employee privacy and data security.

A student shall only use AI tools with teacher permission and shall be expected to produce original work and properly credit sources, including AI tools used in creating the work. Students who use AI tools to deceptively harm, bully, or harass others shall be disciplined in accordance with the Student Code of Conduct and policy. [See EIA(LOCAL), FFH, FFI, and the FO series]
