**Background Information:**

When the district adopted Houghton Mifflin Harcourt (HMH) as the elementary English and Spanish Language Arts adoption, Spanish Language Arts resources were only purchased in digital format. These high-quality instructional materials from HMH will support the implementation of our biliteracy curriculum for our 1-way & 2-way dual language programs. These resources will help meet the content standards, language development, vision, goals, and assessment needs of both program languages. Previously, student materials were purchased in Spanish for K-2nd and English for 3th-5th. With the proposed purchase, dual language scholars will be provided with more equitable access to resources and materials in each program language (English & Spanish) for each grade level.
