

Superintendent Board Report October 2025

- Our nurses set up a Flu Shot Clinic with Walgreens to offer flu shots to our staff and community this month.
- Dupo High School will be implementing an Early Release Program for Juniors and Seniors to encourage increased attendance, good grades, and positive behaviors.
- We have had a tremendous first quarter this year, which ended on October 10, 2025. Our Parent Teacher Conferences were held on October 16, 2025, from 4:00-8:00, and on October 22, 2025, from 4:00-7:30. We had a great turnout. If parents were unable to attend the conferences, they can still schedule a meeting with their teachers.
- The Dupo Fire Department, led by Monte Miller, visited Bluffview on October 8, 2025, in observance of Fire Prevention Month. The students always look forward to the visit with the Dupo Fire Department and Sparky the Fire Dog.
- Mrs. Aldridge and Mrs. Duke led a Substitute Recruitment Event on October 16, 2025. This event was to inform the community about certified and non-certified substitute opportunities in our District. We are always in need of substitute teachers and ESP staff.
- Our Dupo Junior Senior High sports teams have been amazing this year! Some of the highlights include the volleyball teams' Dig Pink Event, junior high softball earning fourth at State, our cross country runners doing their best, and our football team having a record-breaking season. We are proud of all our students and coaches who not only show their athletic abilities but also represent our District through great sportsmanship.
- The Chamber of Commerce started hosting the Students of the Month in October. The students selected this month were Audrey Callahan and Josh Schuerman from Bluffview Elementary, Kyroe Daniels from Dupo Junior High, and Brooke Diveley from Dupo High School.
