

Special Services Board Report

04/11/2023 Board Meeting

- The Monitor conducted by OPI on the Special Education file has been completed and the necessary corrections are being made
- Vocational Rehabilitation will be at BPS on May 3rd from 4:00-5:00 to present their program to the BHS SPED teachers. They help students with disabilities explore work opportunities and college possibilities.
- The SPED Department along with the Head Start program scheduled MonTECH to visit Browning. MonTECH is a disabilities program that helps people with disabilities borrow or purchase equipment that can help people with disabilities with everyday activities such as reading, notetaking, mobility, etc. They will be visiting Browning to help our SPED students and other children or adults with disabilities on April 5th from 11:00 – 1:00. Since This is Spring break for BPS, they will be set up in the Head Start parking lot.
- The last day for the Deaf/Blind training was 3/29/2023. Everything went well and the trainer let us know that everyone attended and worked hard to complete all the assignments required by the program.
- Recently two SPED openings were filled, but we still have six additional SPED openings to fill.
