

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting June 24, 2019

FOR ACTION

Subject: Approval of the District Consolidated Grant Plan

In May and June, I mentioned in the Thursday Letter that the District would have to submit a Consolidated Grant Plan that would dictate how federal funds would be expended in support of the Every Student Succeeds Act (ESSA) and the Illinois State Board of Education's (ISBE's) implementation plan for ESSA. Board approval is necessary in order for the grant to be submitted and approved at the State level.

Dr. Waugh is present and available to answer any questions you may have about the plan this evening.

Recommendation: The Board approve the District Consolidated Grant Plan, as presented.
