Re: High School Principal Report August 2024

Greetings from HHS!

With the first two weeks of school under our belt we are feeling good about the start of the 24-25 school year. The new facilities and the positive vibes around campus have made for a great start to the year. Fall sports are in full swing and students are starting to find their groove as they settle into their routines and schedules. The high school is holding its voting for class officers this week as we select our new leadership for the school year. We are looking forward to working with our new leaders as they help guide the experience of our student body.

The theme of this month is Respect! As we try to do each and every year, we want to make sure our students understand the importance of respect for themselves as well as others. We will be holding our PBIS assembly centered on Respect on September 9th as we discuss its importance in our lives. "Respect for ourselves guides our morals; Respect for others guides our manners."
- Laurence Stern

As always we are truly blessed to be here and to be a part of HHS!
