School Board Meeting Agenda Item

Topic: Combined Polling Places Resolution
Contact(s):
Presenter(s): Lisa Steggerda

Nature of Action Requested by Board

Board action ☒
Board information or scheduled report ☐

Background Information

The State of Minnesota requires school districts to annually approve a resolution establishing combined polling places for school elections when there is not a statewide election. Locations must be designated for statewide elections. The resolution includes using Red Wing Fire Station 2, Red Wing Public Library, and Minnesota State College Southeast as our combined polling place locations for calendar year 2022.

Recommendation

I move to approve the attached resolution establishing combined polling places for multiple precincts and designating hours during which the polling places will remain open for voting for school district elections not held on the day of a statewide election.
