Team Recognition

Girls Basketball attended at team camp at Texas A&M University at the end of last month. All reports came back positive and the girls believe they grew as basketball players and young ladies. These same girls have been playing summer basketball tournaments all over the Concho valley and several of our girls are competing in Ballenger on July 11. The turn out with the girls for summer conditioning is at its highest participation since the Barnes left and I believe Coach Richardson has done a phenomenal job getting those girls to the summer work outs.

Football competed the entire month of June in a 7 on 7 league at Irion County. The boys walked away with a 9-1 record and a league championship. These same young men also competed in three 7 on 7 state qualifying tournaments. Crane, Burnet, and Sonora advancing to the semifinals in the Sonora tournament. In all three tournaments we only played one 2A school, the rest consisting of 3A and 4A teams. Many of the same young men played in a basketball summer league having tremendous success there as well.

How it is going

The summer is flying by at an extremely fast pace which leads us right into Cross Country and Football seasons. Over the last three years we have begun to flex our muscle in the Concho valley, the region, and even across the state. We must Protect the Tradition that has been created and we have the right young men and women for the job. I look forward to a school year that is even better than the last. We will continue to CHASE PERFECTION AND WE WILL CATCH EXCELLENCE ALONG THE WAY!!!!!! As ALWAYS it's a great day to be a COUGAR!!!!

Respectfully,

Justin Taylor
