## Special Instructions

This waiver allows districts and charter schools to request a waiver of a requirement, restriction, or prohibition imposed by the Texas Education Code (TEC) or rule of the board or commissioner, except as prohibited by TEC § 7.056 (e).

## Waiver Description

**Enter a brief waiver description:**

Remote Homebound Services

## General Questions

**1. Give a brief narrative description of the requested waiver.**

Denton ISD is requesting a waiver to serve a student remotely for homebound services. Per a doctor's recommendation, the student cannot attend in person instruction due to a temporary medical condition. The student will require more than 20 hours of remote conferencing. The student meets the GEH remote homebound criteria.

**2. Does the district or campus plan reflect the need for this waiver? If yes, what is the specific objective impacted by the waiver?**

Reflect a min. of one year's growth; reduce achievement gap to 4 percent or less

**3. Cite the section(s) of the Texas Education Code or the Texas Administrative Code that the district or campus wishes to waive.**

19 TAC 129.1025

**4. Describe the plan to be implemented, if the waiver is granted.**

I am requesting a waiver for remote learning for a homebound student. The homebound teacher will remotely meet with the student at least 4 hours per week. The teacher will assist the student in communicating with teachers on a daily basis. Instruction will be provided synchronously for at least 4 hours per week by a certified teacher who is not teaching in-person students at the same time. The student meets the criteria for remote general education homebound learning.

**5. How will granting this waiver help achieve the district's or campus' objective?**

The student will be able to receive remote homebound instruction and assistance on assignments.

**6. Please explain how the school district or campus will evaluate the impact of the waiver towards meeting the district's or campus' goal.**

The campus will evaluate the impact of the waiver through the student's progress on grade and the STAAR exams the student will take in the spring semester.
