

Superintendent Report

- A. District Christmas Open House will be Wednesday December 10, 2014 at the Administration Building, 9:00 am – 2:00 pm
- B. The plan at the Middle School is to pour a slab in front of the warehouse to create two small basketball courts, remove the steps and part of the sidewalk behind the admin building and create a volleyball court and add two tether ball poles inside the circle. The person pouring the concrete is volunteering his work so they are waiting for him to have time to complete the job.
- C. Next time you are at the high school please go by the trophy case by the cafeteria and look at the display Mrs. Babovec has created. The school, letter of acceptance, and a picture of the senior is shown.
- D. The district received word the other day that we qualified for the Rural and Small Schools grant. This grant is worth \$18,000 and will be used to fund two Chrome Book carts, each holding 30 Chrome Book, and provide training to the teachers on how to take care of the books and use them in the classroom.
- E. Attached
- F. Middle School Music Grant – Mrs. Johnson informed me that she had applied for a grant to buy music for the Middle School band, and she got it. The grant is worth \$1,000 and will be used to pay for the UIL music the Middle School will use in concert competition.
- G. I will have a quote for you at the meeting.
