1. Page 506 - Approval of Daniel Gonzalez under the terms of District Innovation.

Questions - When we move a teacher to a level they haven't been certified for, how long do they have to get certified?

-1 year

What happens if they don't get certified?

If it is an non-CTE subject area they are recommended for non-renewal or apply for another position they are certified in.

Other than requiring certification, do we have other requirements they must achieve?

Demonstrate high quality teaching strategies determined by the campus leadership team and interview committee.
