

To whom it may concern:

Although I appreciate the time I had here at Foley Schools, May 28th will be my last day as an EA here. For retirement reasons, I will need to terminate my employment. Please keep me in mind if another EA position opens for the 2026-27 school year. If I am not an EA, my plan is to be a substitute teacher in Foley when I am able. Thank you for the opportunity to be employed here at Foley.
