The Alpena County Sheriff's Office currently utilizes 4 AED's for road patrol and additionally has 1 AED mounted at the jail. To better be prepared for emergencies we would like to equip all patrol vehicles with AED's, have 2 additional AED's for Marine & ORV patrols, have an additional AED at the jail, and purchase an AED trainer. This would require a purchase of 13 new AED's and a trainer at roughly \$28,000. This is not a budgeted expense, but believe that the purchase could be justified under the Alpena County Ambulance Mileage fund.

Cost of AED \$2,100

Cost of AED Trainer \$446

Respectfully,

Erik Smith, Sheriff
