

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: March 19, 2012

AGENDA ITEM: 2011-2012 Amendment to Maximum Class Size Exception Waiver

ALIGNS TO BOARD GOAL(S):

Goal #1: Students will meet or exceed educational performance standards.

Background Information:

The Aledo ISD Maximum Class Size Exception Waiver was amended on February 23, 2012 as the Kindergarten class size at Vandagriff had increased to 23 students in each class during the month of February.

Class Size Waivers were previously approved by the Board and submitted to TEA in September 2011 for Stuard (Grade 1), Coder (Grades 1, 3, & 4), and McCall (Grade 4).

Administrative Considerations:

- Minimize the impact of increased class size in the primary grades of Kinder, 1, and 2
- Due to the current financial situation of the district and the uncertainty of future state funding a conservative approach to hiring additional staff has been adopted.

FISCAL NOTE:

- With waiver amendment: None

Administrative Recommendation:

Per TEA instructions no Board action is required as the addition of Vandagriff Kindergarten is an amendment to our previously submitted and approved waiver. This is an informational report only.
