

Southeast Island School District Vision, Mission, and Goals

Vision: Students are equipped to realize their dreams and aspirations.

Mission: Together we will foster students skills to achieve their goals and adapt to an ever-changing world.

Goals:

Prepare students for post secondary life.

- Our students will continue to explore and learn skills that will benefit them in post Secondary life.
- ** MS/HS electives are Art (Thankful Tree), Home Ec (helping prep lunch), PE (archery and karate), and Work Study

Provide sufficient/effective staff support

- I am excited to be working with volunteers Molly Kimsey and Cyndi Saffold. Molly is subbing in the MS/HS while Paul is on leave. Cyndi is mainly working with the elementary students.
- We are still looking for a para for Kindergarten and a food service person. Hoping to have the position filled by next month.

Improve communication district and community wide

- The Port Alexander School ASC has created a Facebook page and email address to post events and spread the word about the amazing things that will be going on in our school.
- Pictures have been posted of students dissecting a Salmon Shark.
- Students were able to design their names and an animal on their water bottles from the THRIVE grant (thank you Amy M) and Becky Saffold for bringing her machines and allowing the students to choose the style and animal.
- MS/HS students are putting up a "Thankful Tree" for the community to write on leaves what they are thankful for.

Increase visibility to share lifestyle and increase enrollment

- The Port Alexander ASC held its second meeting on October 1. Officers were elected. The ASC will be holding a school-wide carnival for the children in Port Alexander on October 29, 2020 from 1:30-3:30 pm in the school gym for good air circulation.

Educationally Yours,
Sharlet Collins
